

RE/MAX ONE BECOMES AN OFFICIAL SUPPORTER OF THE WEST VALLEY FOOD PANTRY

DONATE TODAY!

The West Valley Food Pantry was founded in 1980 and prior to Covid it had grown to be the largest food pantry in the West Valley feeding approximately 3,000 people per month. After covid, many other pantries closed down and The West Valley Food Pantry became the largest in the City feeding nearly 11,000 people per month. They were approached by a major corporation and offered a delivery truck if they could successfully institute a program delivering food to Seniors who are unable to get to a pantry. They now have the truck, but the corporation has discontinued assisting with the food.
